

## **Tourism Service Update**

Dear Tourism Industry Colleague

In light of the government guidelines regarding CoronaVirus, the Thanet Visitor Information Centre in Margate is closed until further notice

The team will endeavour to respond to telephone calls and emails during normal operating hours, Wednesday to Sunday, 10am to 5pm and can be contacted on 01843 577577 or [visitorinformation@thanet.gov.uk](mailto:visitorinformation@thanet.gov.uk). We would appreciate your patience should there be a slight delay in responding.

We are directing people to [www.visitthanet.co.uk](http://www.visitthanet.co.uk) for up-to-date information on events, attractions and venues, plus ideas for walks, cycle rides and things to do and suggesting they also follow us on social media - @VisitThanet on [Instagram](#), [Facebook](#) and [Twitter](#). We would appreciate you supporting us by sharing our posts so that there are still positive tourism messages going out as widely as possible. Thank you.

As you will appreciate, these are unprecedented times and Thanet District Council still has essential services to deliver, whilst taking into consideration customer and staff health and wellbeing.

With our best wishes for the coming weeks
