

Advice for guests displaying symptoms of coronavirus (Covid-19)

Coronavirus symptoms are:

A new, continuous cough

A high temperature

Loss of smell or taste

Guests who are experiencing new symptoms should:

Immediately self-isolate

Tell your accommodation provider immediately

Book a test immediately

To book a test

Go online to www.nhs.uk/coronavirus or call 119

Use the postcode for your accommodation:

The Isle of Thanet Testing Centre is at:

Manston Airport Car Park,
Manston Road, Ramsgate, CT12 5BQ

Test results

You will receive your test result via text message or email.

If your test result is **negative**; continue with your visit as planned.

If your test result is **positive**; arrange to return home. **All guests in your party will need to self-isolate and return home also. Let your accommodation provider know what you are planning to do.**

Do not stay to await your results if they have not arrived by the time you are due to leave. If you need further health advice call 111 or a GP.

Arranging your return home if confirmed as having Coronavirus (Covid-19), or if showing symptoms and awaiting test results.

If you do not have a vehicle you should arrange for a Covid-secure vehicle transport home. If this is not possible, you must make arrangements with your accommodation provider to self-isolate in your accommodation until either the end of your booking or transport is confirmed, whichever is sooner.
